

A Season of Music

First Presbyterian Church of Naples

I am excited to continue *A Season of Music* at First Presbyterian for 2009-2010. The concerts this year will feature our newly completed Ruffatti pipe organ. This summer, the Ruffatti Organ Company of Padua, Italy added 700 pipes to our main balcony. Since its debut in 2004, I have enjoyed sharing the beauty of this instrument with you, and I am especially proud to see this organ now completed with its 6,200 pipes gracing our church.

You will also find an envelope to return with your support for the music ministries of First Presbyterian Church. We are happy that the music program is growing and, thanks to the generosity of people who love and support music, we are able to provide a music program second to none in Naples. Please consider sending a donation today.

Within this brochure you will find the schedule of concerts for 2009-2010. We begin and end the series this season with concerts celebrating our pipe organ. It is my hope that you will plan on coming to these special events and consider bringing your friends and family to see our beautiful church and hear the inspiring music within its walls.

It is only through your help that we can provide these outstanding musical offerings. Thank you in advance for your support and generosity.

Brice Gerlach
